This position is for someone who can partner with another Montessori trained teacher in a classroom and be a member of a team of four guides in our eighteen month to three year old level.

Going through high school, our vision as teachers, parents and staff is to encourage students in responsible citizenship so each can make a positive, personal contribution and actively participate in the national and global community. Westwood intends that graduates go out into the world not just to do great things, but to do the right things.

We remain committed to providing an exceptional education that emphasizes personal ethics and individual responsibility---all within a caring, supportive community.
