

Westwood's Summer Show

JULY 8-19 2019 9am-3pm

Performance on Friday at 6pm

Midway Campus Black Box Theatre

For current Westwood students in grades 5th-12th

A two-week musical Theatre intensive experience unlike any other. This is an all-inclusive program created to help aspiring young artists find their passion for the performing arts. We will work on creating a strong physical character, delivering meaningful dialogue, and working with fellow actors in a strong ensemble show. We will utilize improvisation games as well as daily acting lessons that relate to the style and/or physical needs of the show we are working on.
