
High School Math Teacher

Job Description:

The Westwood School seeks a full-time Math Teacher for 9th-12th grades to join our school. Westwood is a private school located in the North Dallas area. We take pride in our close-knit culture which values community, character and excellence in the Montessori and International Baccalaureate education of toddlers through high school seniors. At the high school level, we believe small class sizes and individualized teacher attention critical for student learning. To learn more about our learning community please visit our website: www.westwoodschool.com

Responsibilities for this position include but are not limited to:

- Teach high school math curriculum from geometry through calculus according to the International Baccalaureate standards.
- Attend to each student's individual learning needs, providing support through accommodations or tutoring.
- Coordinate with one other math teacher to adjust curriculum as needed.
- Chaperone an overnight field trip.
- Attend and participate in school functions that relate to position.
- Attend in-service, team meetings, etc.
- Be a flexible and courteous team member.

Qualifications:

- Degree in Mathematics
- Teaching certificate or working toward certificate
- IB-trained in Math SL/HL or Math Studies SL (preferred)
- Excellent interpersonal skills with students, parents and other staff

Salary

- Compensation is competitive and commensurate with experience
